Experience

- ★ JoAnn Leleck Elementary School at Broad Acres - Silver Spring, MD
2nd Grade Classroom Teacher (August 2013 to Present)
 - Professional Development on ActivInspire for new teachers in multiple grade levels
 - Created Vlog for educators to access information on Microsoft Office, ActivInspire, Weebly, Google, and ClassDojo
 - Collaborated with School Library Media Specialist during each Marking Period to select various resources during research project using Destiny and OneSearch
 - Use various forms of media for students to display their learning such as Word, FlipCharts, GoogleDocs, ScreenCastify, PebbleGo, Britannica Encyclopedia, SIRS Discover, Discovery Education, and other MCPS resources.
 - Created online Website and Blog for students to access class contents such as homework, vocabulary songs, games, parent newsletters, Google folders, field trip photos, updates, and more.
 - Implemented, planned, and created resources for all-encompassing lessons using Curriculum 2.0 for Writing, Math, Reading, Science, and Social Studies based on curriculum objectives and created age appropriate formative assessments that correlate to MCPS indicators and inputted on Gradebook
 - Participated and collaborated in weekly common planning using OneNote for resources, data meetings, and kid chats while examining student work to determine results and areas where students needed more support and enrichment
 - School Energy Recycling Team (SERT) Leader for teachers and students creating Public Service Announcements on YouTube using Windows Movie Maker
 - Lead Girl Scout Troop #7973 to improve with community involvement with families and their young leaders
- ★ New Hampshire Estates Elementary School – Silver Spring, MD
2nd Grade Classroom Teacher (August 2011 to June 2013)
 - Translated with Parents via email, text, phone call, or face to face for my classroom and teachers throughout the school
